ORION
UTILITY CONTRACTORS
A CHAMPION SPECIALTY SERVICES COMPANY

EXCEPTIONAL IS OUR STANDARD.

UTILITY CONTRACTOR SERVICES

Orion Utility Contractors specializes in storm-response and electric grid restoration throughout the Northeast. Orion is built on over 35 years of experience and a team of highly skilled, IBEW-trained professionals. We're proud to offer 24/7 emergency response services, including downed-line recovery, wire-down guarding, and post-storm sweeps. Safety is at the core of everything we do, with regular audits, daily safety meetings, and ongoing training that ensure our crews are always prepared. At Orion, we're committed to powering communities through the toughest conditions with integrity, precision, and care.

SERVICES

Post-Storm Sweeps

Distribution Storm Crews

- When storms hit, we respond fast. Our team restores power quickly by repairing downed lines and damaged equipment, ensuring a safe, rapid recovery.

Underground Distribution Construction & Maintenance

- We handle everything for underground distribution—transformer installs, high-voltage cable work, and system maintenance. Built to last, safe, and always up to code.

Overhead Distribution Construction & Maintenance

- We build and maintain overhead lines, from new installations to pole replacements. Every project meets standards for reliability and compliance.

EQUIPMENT

- Bucket trucks
- Digger derricks
- Tracked vehicles
- Pick-up trucks
- Fully-stocked warehouse ready for rapid mobilization

EXPERIENCE

- Eversource ERP (CT & NH)
- Eversource ERP Renewal
- Eversource COC (Contractors of Choice)
- PSEG Long Island
